

BEYOND BORDERS PRAYER

June 2024

Thank you for joining the June Beyond Borders Prayer Zoom, connecting you with on-the-ground SAT-7 staff from the Middle East and North Africa. This month, we learned from Madonna Magdy William – HR Manager at SAT-7 Egypt.

Before joining SAT-7 Egypt, she was a missionary in East Africa. She is a senior HR professional and has a degree in pharmaceutical sciences. In 2014, she authored her first book titled *His Word*. Madonna is now completing her theological and biblical studies degree and is the HR Manager for SAT-7 Egypt. Please add Madonna and SAT-7 Egypt to your prayer list.

Here are some suggested ways to pray

1. Pray for Madonna and SAT-7 Egypt human resources (HR) as she manages the 75 employees and keeps the studio compliant with new laws. Her responsibility also includes the training and professional development of all staff.
2. Pray for the HR team in Egypt, as their desire is for each employee to grasp the mission and vision of the ministry and live by Scripture and SAT-7's code of conduct.
3. During these difficult MENA times, with so many regional conflicts, pray for SAT-7 staff protection across the MENA region.
4. Pray for all SAT-7 staff to be faithful to the mission of SAT-7.
5. Pray for a special youth project implemented by SAT-7 in Egypt called *Youth for an Enabling Society* (YES).

We trust that what you will hear and learn during the SAT-7 Beyond Borders Prayer Zoom meetings will ignite a passion to pray for the work of SAT-7 and its viewers.

Please consider hosting a SAT-7 prayer time using the April Beyond Border Prayer printable resource. It is available at sat7usa.org/beyond-borders-prayer/ Thank you for your partnership.
