

BEYOND BORDERS PRAYER

July 2024

Thank you for joining the July Beyond Borders Prayer Zoom, connecting you with on-the-ground SAT-7 staff from the Middle East and North Africa. This month, we learned from SAT-7 CEO Rita El-Mounayer.

As well learned on the Beyond Borders Prayer Zoom, Rita El-Mounayer's responsibilities as the CEO of SAT-7 are divided into three parts:

- The 1st part is working with all SAT-7 channel executive directors (SAT-7 Arabic, SAT-7KIDS, SAT-7 PARS, SAT-7 TURK, and SAT-7 Social Media/Digital on new initiatives, program ideas, and program evaluation.
- The 2nd part is working with the SAT-7 support offices. She has a role in meetings, various engagements, speaking at conferences, and visiting partners and SAT-7 friends. This part requires a lot of travel.
- The 3rd part of the CEO's responsibilities is the administrative work – signing off on reports, cash flows, and various board meetings.

Here are some suggested ways to pray

1. Pray for Rita in her three main areas of responsibility as the CEO of SAT-7.
2. Stewarding and managing all three areas of responsibility requires a lot of travel. Pray for Rita's energy and safety and that her international travels will go smoothly.

We trust that what you will hear and learn during the SAT-7 Beyond Borders Prayer Zoom meetings will ignite a passion to pray for the work of SAT-7 and its viewers.

Please consider hosting a SAT-7 prayer time using the April Beyond Border Prayer printable resource. It is available at sat7usa.org/beyond-borders-prayer/ Thank you for your partnership.
