Making God's love visible to everyone in the Middle East and North Africa

Randa was looking for a hope to hold on to. You made it possible for her to hear the Gospel!

Randa's experience living in Morocco is the same as many other young women across the Middle East and North Africa. Poverty, discrimination, and conflict are pulling millions of girls out of schooling — and most will never go back to finish.

"I didn't get my degree because my education stopped at the preparatory level," says Randa. (We've changed her name for privacy.) "It's been difficult for me to get employment."

You can imagine it's hard for young people in the Middle East and North

Africa to hold on to hope. What Randa and so many others need to hear more than anything is how much God loves them. But out of tens of millions of people, less than 1% of Morocco's population is Christian, making it unlikely Randa would ever interact with someone who could share Gospel hope with her.

That's why — with your help — SAT-7 brought the Gospel hope to her.

FREEDOM IN FORGIVENESS

When Randa came across SAT-7's new feature film *Toxic*, a door to

YOU'RE BRINGING THE GOSPEL TO PEOPLE ACROSS THE GLOBE

Randa's search for hope . . . (continued from page 1)

God's love opened. Nominated to participate in a number of film festivals, *Toxic* follows true stories of four people who've survived cruelty and mistreatment. As she watched, Randa's heart resonated with the characters.

"It hurts me when others make fun of me or my appearance," Randa says. "The main actress from the movie surprised me by forgiving people who bullied her." Wondering if she could do the same, Randa reached out to our Viewer Support Team after watching the movie.

Our team responded to Randa with empathy, sharing with her the importance of forgiveness. Randa heard words of encouragement she desperately needed — that she is unique in God's eyes and He sent Jesus to save her.

Hearing that truth opened a door in Randa's heart to accept Jesus as her Savior. Our Viewer Support Team prayed with her, sent her a Bible, and encouraged her to start reading the Gospel of John. "This is my first time reading the Bible," says Randa.

YOU'RE MAKING GOD'S LOVE VISIBLE TO ISOLATED BELIEVERS

Through a movie, God's love was made visible to Randa. Every hour of Christian programming you help make possible is taking the life-altering Gospel message into homes all across the Middle East and North Africa.

Right now, our team is following up with Randa as she begins her discipleship journey.

Too many Isolated Believers in Morocco follow Jesus in complete secrecy due to social pressure and government surveillance. Your support makes it possible for Randa and so many others

to build up their faith and stay connected with other Christians.

Thank you for your prayers and generosity. Every day, Isolated Believers and truth-seekers are finding hope in the midst of darkness because of your partnership!

"THIS IS MY FIRST TIME READING THE BIBLE!"

Your gift today will build up Isolated Believers of all ages in their faith and give them hope!

You're bringing hope to millions through the Middle East's first multi-language Christian streaming platform!

We all love the convenience of our favorite on-demand streaming platforms. What if people across the Middle East had that same accessibility and gold-standard experience — but offering faith-filled, Christian content? Thanks to you, they do!

Your partnership is pioneering SAT-7 PLUS — the first Christian streaming platform in the Middle East that offers a free library of programs and movies in three languages to Isolated Believers and truth-seekers.

BECAUSE OF YOUR SUPPORT, SAT-7 PLUS IS . . .

Made globally accessible (even in the USA).

Streaming the Gospel message in a region of 400 million people.

Offering a tailored user experience like Netflix, Disney+, and Hulu.

Produced in three major languages — Arabic, Persian, and Turkish.

Free for all (yes, even for you!).

AN HOUR OF STREAMING ON SAT-7 PLUS COULD CHANGE A LIFE FOR ETERNITY

Last year, 1.2 million people watched content on SAT-7 PLUS. This year, we want to reach even more — 2.4 million.

This cutting-edge platform is so much more than just another on-demand service. It's an open door to God's love and truth. Thank you for helping SAT-7 make the Gospel available to Isolated Believers and truth-seekers across the Middle East and North Africa!

IMPACTING MILLIONS

It is easy for us believers in the U.S. to find Christian content. Books, radio, podcasts, and movies are available with just a few clicks.

But for Isolated Believers in the Middle East and North Africa, it's not that easy.

For years, satellite television was the primary way SAT-7 delivered Christian content to this region — and God willing, we will continue to do so.

But with SAT-7 PLUS, the Middle East's first multi-language video-on-demand platform, it's easier than ever for viewers to watch Christian content in Arabic, Farsi, and Turkish — securely, privately, and at no cost to them.

With your support, we're working to make Bible-based programming available to millions. **SAT-7 PLUS is not only making that possible — it's making it easy.**

It's such a privilege to have you walking alongside SAT-7 as we advance the kingdom of God across the Middle East and North Africa!
