

BEYOND BORDERS PRAYER

September 2024

Thank you for joining the September Beyond Borders Prayer Zoom connecting you with on-the-ground SAT-7 staff from the Middle East and North Africa. This month we learned from SAT-7 PARS channel Executive Director Panayiotis Keenan.

SAT-7 PARS broadcasts in the three Persian languages of Farsi (Iran), Dari (Afghanistan), and Tajik (Tajikistan). The channel covers this region via satellite, social media platforms, and video-on-demand (SAT-7 PLUS). The programs are produced at the SAT-7 studios in Cyprus and the UK.

For many Persians, their only access to the Gospel, a church, and Christian fellowship is with SAT-7 PARS programs and the SAT-7 Viewer Support Teams.

Here are some suggested ways to pray

1. Please pray for wisdom, strength, and safety for the SAT-7 PARS studio staff in Cyprus and the UK during these challenging and confusing times in the Persian world.
2. Please pray for a busy production and broadcasting schedule for the SAT-7 PARS production studios. Pray that the regional conflicts and hostilities will not interrupt production and broadcasting timelines.
3. Please pray for wisdom for Panayiotis as Executive Director, as he manages all facets of the SAT-7 PARS ministry.
4. Pray for wisdom and discernment for the Viewer Support Team members as they respond and answer viewers' questions and concerns.

Finally, be sure to read stories of how your prayers and support impacts Iran, Afghanistan and Tajikistan at sat7usa.org/stories. Did you know you can sort stories by country, channel, type

Please consider hosting a SAT-7 prayer time using the April Beyond Border Prayer printable resource. It is available at sat7usa.org/beyond-borders-prayer/ Thank you for your partnership.
